Thank you for your interest in becoming a seasonal at Fritz's Resort. To acquire a seasonal site this application must be filled out. This application does not guarantee the applicant a site at Fritz's Resort. Park management reserves the right to deny a campsite to any applicant without notice. Park management will know shortly after September 1st what sites will be available for the following season and will contact applicants accordingly. We encourage guests to fill out a new form every year so we know you are still interested in becoming a seasonal.
